

Alarm Student Member terms and conditions

Membership eligibility

Student membership is available to any person currently studying full time for a recognised management or risk related degree. Acceptance of associate membership is at the discretion of Alarm.

Proof of eligibility for student membership

In order to be accepted for this category of membership, proof of your full time education status will be required in writing from your course tutor. Membership and website access will be granted upon receipt of course confirmation and duration. Acceptance of student membership is at the discretion of Alarm.

Membership period

The membership year runs from 1 January to 31 December subject to availability.

Alarm event cancellation policy

Alarm incurs substantial charges in relation to such events including, amongst others, venue charges, lunch and refreshment charges, administrative and management costs etc. If a Member is unable to attend an Alarm event (aside from the Conference, see Conference cancellation policy below) they should provide the Alarm Office with written notice that they are unable to attend not less than seven clear days before the event.

Where there is a charge for attendance, payment must be made in advance and no refund will be issued for non-attendance or cancellation. By requesting a place at an event you agree to the terms and conditions set out above.

Conference

Attendance at Conference as a delegate is discounted at £99 +VAT for student Members (not including accommodation). Alarm takes no responsibility for sessions that are fully booked, bookings are administered on a first come first served basis and early booking is advised to avoid disappointment.

Conference cancellation policy

Cancellations must be received in writing ten days before the event, and a receipt of confirmation must be obtained. Delegate fees are non-refundable.
